DRAFT MINUTES

Location of Meeting: Franklin Emergency Services
100 South Main Street
Franklin, VA 23851

Date: November 01, 2022

Attendance: Doris Artis, Purlie E. Banks, Gary Wyse

Visitor: Jennifer Maynard, General Registrar

Prior to CAP training and Preprocessing, the Electoral Board met on the above date. The meeting was called to order at 1:27 pm. Per Gary Wyse, questions have arisen as to whom can come to preprocessing. It was stated that per 1VAC20-70-40, "one authorized representative of each political party or independent candidate in a special or general election, or one authorized representative in a primary election is entitled to attend any absentee pre-preprocessing session. As several local candidates had stated their desire to attend preprocessing, Purlie Banks asked if all candidates had been notified. Per Jennifer Maynard, she notified all candidates of the date and time of preprocessing.

Purlie Banks stated that she had received a call concerning how provisional ballots were being handled. The envelopes were not being sealed, but a piece of tape was being put on the back of the envelopes. As the ballots are housed in the general registrar's office and to maintain the integrity of the election, Purlie Banks suggested that we purchase an envelope sealer instead of tape because tape can easily be lifted. The general registrar asked if the caller had stated that she had been campaigning in the office. Purlie Banks stated that she will discuss it with the caller.
