City Treasurer's 2023 Annual Report

Delinquent Taxes as of
November 30, 2023

- ▶ The delinquent tax amount for the City of Franklin as of November 30, 2023 is \$513,377.49. This amount reflects tax years 2021 and older for all taxes owed to the city. The last collection report dated November 30, 2022 was reported with delinquencies of \$427,135.84. This is an increase of \$86,241.65. This increase is due to adding the delinquencies for tax year 2021 as well as the effects from the higher tax assessments for 2022 personal property.

Real Estate:

- ▶ As of November 30, 2023 there is \$131,248.61 in delinquent Real Estate taxes for the years 2003-2021. The delinquencies consist of 62 residential, 3 multi-family, 13 commercial and 1 tax exempt for a total of 80 properties. The cumulative collection rate for these tax years is 99.86%. The office continues to work with citizens who have become delinquent with payment plans prior to collection actions. We currently have 10 tax payers on monthly payment plans. The office uses VEC (Virginia Employment Commission) for employment information and attach a lien against their place of employment based on the Code of Virginia 58.1-3919, Currently the office has about 12 on wage liens.
- ▶ The Treasurer's office continues to work with Jason A. Dunn, PLC (Tax Attorney) out of Virginia Beach to assist in selling properties who meet the requirements for a tax sale based on the Code of Virginia, 58.1-3965. There are currently 30 properties being worked by Mr. Dunn's firm. Prior to sending the file to the firm, the office has exhausted all possible efforts with the taxpayer.

Real Estate Cont....

- ▶ Prior to properties being put up for a tax sale, Mr. Dunn's firm will enter into a payment plan with the taxpayer. Once they enter into a plan the taxpayer must stay current on the plan and pay all current taxes by the due date.
- ▶ We had 2 tax sales this year. One in May where we sold one property by an online auction. The second sale was in October where we had 6 properties to be sold. Prior to the sale 5 of the properties were paid in full and pulled from the sale. The property remaining was sold through a hybrid tax sale. Both properties were sold for enough money to pay all delinquent taxes, nuisance liens as well as the attorney fees and auctioneer's fees. Having the sale as a hybrid tax sale gives a wider foot print of people bidding on the sale that other wise might not be able to make the sale in person. All bidders must qualify to bid prior to being able to bid on properties.

Real Estate Cont....

- ▶ After the courts approve the highest bid, funds are disbursed to the City by the attorney. If there are surplus funds remaining and the property owner owes other monies to the city, I will request for those funds to satisfy the other delinquencies. Any remaining funds, the attorney is required to send those funds to the Clerk of Courts for a period of two years. If no one claims the funds the courts return the balance to the city after the two year period. This year we received \$100,037.00 surplus money from a tax sale we held back in 2021 on three properties.
- ▶ We are currently working on having our next tax sale in the Spring of 2024.
- ▶ For the RE2022 tax year, of the 6.6 million budgeted, we have \$189,665.38 uncollected, showing a 97.5 collection rate as of November 30, 2023. Any payments paid on delinquent real estate is applied to the oldest taxes first.

Personal Property:

- ▶ As of November 30, 2023 there is \$347,236.45 in delinquent personal property taxes for tax years 2016-2021. The cumulative collection rate for these years is 97.2 %. I noticed an increase in the personal property delinquencies mainly due to the higher assessments on vehicles for tax year 2022. Even though the city based the taxes on 75% of the assessment it still caused the tax bills to have a higher amount due. The office continues to place DMV-Stops on delinquent taxes. This is a great tool used by Treasurer's offices across the state. Taxpayers cannot renew their tags until they have the Stop removed which requires the taxes to be paid in full. We continue to work with taxpayers on monthly payment plans. Plans are usually made so that their taxes are satisfied prior to the next years assessments and due date. Any and all prior delinquent taxes must be satisfied prior to being able to make a new payment plan.

Personal Property Cont...

- ▶ For PP2022 tax year, of the 3.4 million budgeted, we have \$220,393.67 uncollected, showing a 91.4% collection rate as of November 30, 2023. DMV-Stop have been added to the vehicles that we have been able to locate in the system. Debt Set-Off is also added to the account so that when a taxpayer files their state taxes and are due a refund, those refunds are sent to the City.
- ▶ Due to the Statue of Limitations as per The Code of Virginia 58.1-3040, I will be requesting City Council to approve charging off personal property taxes for tax year 2016 in the amount of \$26,502.17. Based on years of collection attempts, I deem these accounts uncollectable.
- ▶ In working with the Commissioner of the Revenue, we have accounts that the property owner are deceased and the property has been junked and no long on the DMV records as an active vehicle. These accounts will also need to be charged off.

Meals and Lodging:

- ▶ Currently we have three business that have delinquent meals taxes in the amount of \$28,631.85. Two of the restaurants have closed their doors leaving money owed to the city. I have turned them over to my tax attorney and we have gone to court and obtained a judgement on the owners. I'm working with the other business. If the owner continues with a payment plan no additional collection or legal action will be done.

Business License:

- ▶ As of November 30, 2023 there are 3 delinquent business licenses in the amount of \$6,260.58. One business has closed and no longer in the area and I have turned them over to the Tax Attorney and he filed a judgement against the owner. We have located one of the businesses and they are going to take care of the delinquent taxes and they are no longer in the Business Center. One of the businesses the owner has closed and has since moved out of state.

Historical Data:

▶	March	2010	\$1,531,064.26
▶	August	2011	\$913,774.49
▶	August	2012	903,647.66

- ▶ DMV Stops
- ▶ Debt Set Off
- ▶ Wage Liens
- ▶ Virginia Auction Co- Auctioneer for Tax Sales
- ▶ Virginia Collection Co-Vehicle Seizer-Distress Warrants
- ▶ Tax Sales- Judicial and Non Judicial
- ▶ Payment Plans

The office continues to look for new tools to collect delinquent taxes and delinquent utilities owed to the locality.

Collection Tools History:

▶ DMV Stops	2298 Submitted/692 Good/ 730 Removed
▶ Debt Set Off	1503 Payments, \$287,626.89
▶ Garnishments/Bank Liens	76
▶ Tax Sale-Judicial Sale	2
▶ Properties to Attorney	16
▶ Unclaimed Property	0

The Treasurer's Association of Virginia continues to work with the Department of Treasury in re-instating the ability to place claims with the unclaimed property division.

Treasurer's Office News:

Collection Percentage Rate for the office:

- ▶ Cumulative Percentage for Real Estate for 2003-2021 is 99.86%
- ▶ Cumulative Percentage for personal Property for 2016-2021 is 97.27%

The Treasurer's Office was awarded the Office Accreditation for the Tenth year in a row by the Treasurer's Association of Virginia. This is the highest award given by the association. To receive this award the office must have a collection rate of 95% or higher for Real Estate and 90% or higher for Personal Property along with meeting other requirements set by the association. Offices are audited after the office submits their application.

I finished up a year as the 80th President of the Treasurer's Association of Virginia. It was a humbling yet rewarding experience. This was the first time that a City of Franklin Treasurer has ever served in this capacity and I was honored to represent the City Franklin as the TAV President.

This year Deputy Treasurer Edward Martin became certified as a Master Governmental Deputy Treasurer with the UVA Weldon Cooper Center for Public Service. This is a great honor for him to have achieved.

This year I re-certified as a Master Governmental Treasurer for the fourth time. Each certification is for a 4 year term.

Treasurer's Office News Cont...

- ▶ The Staff in the Treasurer's Office works hard to service the citizens of Franklin to the best of their ability. The two newest employees have been with the office for a little over a year and are doing extremely well and are taking on new duties. The entire staff is dedicated to their jobs and will even step in doing other jobs while others are out of the office. A BIG THANK-YOU goes out to the entire STAFF!!

To: Amanda C. Jarratt, City Manager
From: Dinah M. Babb, City Treasurer
Subject: Personal Property 2016 Charge Off

Enclosed you will find a list of delinquent Personal Property for Tax Year 2016 that are deemed uncollectable due to the statute of limitations in the Virginia State Code 58.1-3940. The statute of limitations restricts the office from actively placing any collections on these accounts. It is my recommendation that \$26,502.17 of delinquent personal property for tax year 2016 be charged off.

Respectfully Submitted,

A handwritten signature in black ink, appearing to be "Dinah M. Babb", written over a faint circular stamp or watermark.

Dinah M. Babb, MGT
City Treasurer

Subject: Personal Property Deceased Accounts

Enclosed you will find a list of delinquent personal property of deceased owners. The Commissioner of the Revenue has researched the records and found the vehicles are no longer in the active DMV records. Also on the accounts a copy of the obituary has been attached. It is my recommendation that \$27,424.601 be approved to be charged off.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "Dinah M. Babb", enclosed within a large, loopy circular flourish.

Dinah M. Babb, MGT
City Treasurer

Background Information

The Franklin Industrial Development Authority was utilized as the conduit to issue bonds for the construction of the Western Tidewater Community Services Board in Suffolk, Virginia. The documents provided for the transfer of title to the Western Tidewater Community Services Board upon the final payment of the bonds. The last of the bond issuance has been paid and as a result WTCSB is requesting title be transferred as originally agreed upon.

Needed Action

Provide authorization to staff to execute the necessary documents and work with the Industrial Development Authority to dispose of the Western Tidewater Community Services Board real estate.
