NEW BUSINESS:

GREB Manual is available. Time for making suggestions ended April 30, 2023.

VRAV Annual Conference will be July 31-August 2, 2023. No one knows if Jen is attending or not.

Voting System Security Plan – We know that a form was sent indicating that we had reviewed the plan and approved it but do not know if it was sent on letterhead or not. Gary will check with Jen.

Discussion of Laws taking effect July 1, 2023. Absentee voting will no longer require witness signature but will require applicants last 4 numbers of their SS # or their voter ID # if they don't have a SS #.

We need to post a fee policy for any future FOIA requests.

Most of the other new laws don't affect us as some of them require the State Board of Elections to do certain things that won't filter down to the local level.

Next meeting date scheduled for July 28 at 10AM or 2PM in the Library at the ESB if available. If not available and the logistics can be worked out it would be at Hunterdale Christian Church at either time.

Motion by Nancy Parrish to adjourn, seconded by Gary Wyse, passed unanimously. Meeting adjourned at 12:22PM.

Respectfully submitted,

Gary Wyse
